

Product Name :
Arc Welding Machine

Product Code :
TVETWE24002

Description :

Arc Welding Machine

Technical Specification :

Outstanding Arc Stability with Low Spatter.

Auto-Adaptive Arc Force minimizes electrode sticking in the puddle.

Low power input.

Outdoor work.

+30% Faster welding.

+80% More welding.

50% Power Saving.

100% Welding Quality.

Mosfet Technology, good efficient, current saving.

Auto Protection against Over-Voltage and Over-Current.

ARC Holder With Cable, Earth Clamp With Cable.
