

Product Name :
Coarse Aggregate Density Test Set**Product Code :**
TVETCL29006**Description :**

Coarse Aggregate Density Test Set

Technical Specification :

Measurement of density and specific density, standard weighing.

Specification:-

Density Basket: with dimensions 203 mm diameter x 203 mm deep.

constructed of reinforced no. 8 wire mesh.

Suspension hook

Buoyancy Balance, of capacity 8000 g for aggregates between

63mm and 5mm

8" Brass Sieve no.4 Mesh

1 Pan, Galvanized

Power 220 vAC, 50/60H

Water tank with dimensions: 400 x 400 x 330 mm approx. (L x W x H).
