

Product Name :
Mechanical Heat and Mass Transfer Lab Equipment**Product Code :**
EEMECH45M0008**Description :**

Mechanical Heat and Mass Transfer Lab Equipment

Technical Specification :

Heat Transfer Lab, Mass Transfer Lab, Composite Wall Apparatus, Critical Heat Flux Apparatus, Drop And Film Condensation, Emmissivity Measurment Apparatus, Heat Transfer Through Lagged Pipe, Emissivity Measurement Apparatus, Heat Transfer Through Natural Convection Apparatus, Heat Transfer Through Forced Convection
