

Product Name :
Mechanical CAD and CAM Lab Equipment and Softwares

Product Code :
EEMECH45M0012

Description :

Mechanical CAD and CAM Lab Equipment and Softwares

Technical Specification :

varieties of equipments and solutions for CAD (Computer Aided Designing) and CAM (Computer Aided Manufacturing) lab Equipments, Starturn CNC Bench Milling Machine, Starturn CNC Bench Lathe, Software: Auto Cad. Mechanical Desktop. NISA. Master CAM. Edge CAM. I-Deas. Visual Studio.
