

Product Name :
Digital Thermometer - Medical and Diagnostic Equipment

Product Code :
EEMED55M0031

Description :

Digital Thermometer - Medical and Diagnostic Equipment

Technical Specification :

Accurate and fast thermometer which is environmental friendly and very safe to use. Clear vision of temperature and beep alert sound further add to its features. It can be used orally, rectally & under armpit.

Specifications:

Measurement Range: 32°C (89.6°F) to 42°C (89.6°F)

Low Temperature Display: Temperature<32°C (89.6°F)Display L°C(L°F)

High Temperature Display: Temperature>43°C (109.4°F)Display H°C(H°F)

Accuracy: 35°C (95°F)-39°C (102.2°F)±0.1°C(0.2°F)

Display Resolution: 0.1°C(0.1°F)

Normal Beep Sound: 10 long beep sounds in 10 seconds.

Fever Beep Sound: (>37.8°C/100°F): 30 short beep sounds in 10 seconds.

Auto Power Off: 8 minute \pm 2 minute

Battery: AG3 or LR41

Life Of Battery: 2 years or 2500 times.

Dimension: 125mm x 19mm x 11mm

Unit Weight: approximately 9.8g (including battery)

Operation Condition: Temperature 10°C(50°F) to 40°C (104°F) Humidity 30% to 85% RH

Storage Condition: Temperature 10°C(14°F) to 60°C (140°F) Humidity 25% to 90% RH
