

Product Name :
MIG Welding Machine**Product Code :**
EEMTL71M0028**Description :**

MIG Welding Machine

Technical Specification :**Features**

- Hi Performance in MIG / MAG Welding
- Heavy Duty(35% -60%)
- Performance in working widely uses for Mild Steel, St. Steel & Aluminium, Bronze Alloy Wires.
- Suitable for Solid Wires & Flux Cored Wire Continuous & Consistent Welding.

Supply

Phase

Frequency

KVA

DC/AC

Output (Min./Max.)

Output Steps

Control Circuit

Torch

Permanent Magnet
Torch Connector
Key Light
Key Light Production and
RadioGraphic Welding
