

Product Name :

Surface Grinder

Product Code :

EEMTL71M0031

Description :

Surface Grinder

Technical Specification :

- Durable
- Corrosion Resistance

Applications:

- Automobile Industry
- Electronic Industry
- Electrical industries

Description

Working Surface of Grinding Area

50 x 160 mm Metric Table Travel L x B

160 mm Grd. Height Under Wheel

Vertical Feed Graduation

0.05 mm Feed Graduation

160 mm movement with Microfeed

2800 RPM Speed

76 dia. Wheel (Dia x Bore x Width)

1.75 HP Motor Recommended
