

Product Name :
Power Saw Machine**Product Code :**
EEMTL71M0032**Description :**

Power Saw Machine

Technical Specification :

- Sliding table size :915x785mm
- Circular saw speed : 4000 rpm
- Power required : 3HP
- Tilting circular saw
- Maximum circular saw dia : 355mm
- Maximum depth of cut : 114mm
-

Features:

- Hard tooth and abrasion resistance
- Smooth finish and stone fixing
- No vibration and accurate performance
