

**Product Name :**  
Load Cell Trainer

**Product Code :**  
EEMET75M0001

ALTEC™

**Description :**

Load Cell Trainer

**Technical Specification :**

**Description:**

Common Mechanical Setup to fit various types of load cells.  
Beam Type Load cell- 1 no.  
'S' Type Load cell - 1 no.  
Compression Type Load cell - 1 no.  
Common indicator with necessary signal conditioning circuit.  
Common Weights: - Max 20 kg in steps of 1kg  
Digital Indicator: -  
Least Count: - 0.1 kg  
Digit: - 3 1/2  
Powder coated enclosure.
