

Product Name :
Conductivity Meter**Product Code :**
EEMEL77M0004**Description :**

Conductivity Meter

Technical Specification :

- Measures conductivity/TDS/Temperature, Hand held meter,
- water proof,
- Conductivity range 0 -199 mS/cm,
- Resolution 0.05 % full scale,
- calibration 4 points auto; TDS range 0 -1000 ppm, accuracy $\pm 1\%$ full scale;
- Temperature 1 – 100oC, accuracy $\pm 0.5oC$.
- Accessories: 4 spare electrodes & set of calibration buffers
