

Product Name :
Universal Hardness Tester**Product Code :**
MTEP0009ALTEC™**Description :**

Universal Hardness Tester

Technical Specification :

- The machine is provided with a backlit LCD display.
- A bench-top industrial-standard tester for accurate measurements of Vickers, Brinell and Rockwell hardness.
- It is used to display measured hardness results, to monitor the progress of the test and to display information that may be required when setting up the machine for a variety of parameters.
