Engineering Science Work Panel

Technical Specification :

- For use with Engineering Science kits, the Work Panel fits on any standard desk or bench top.
- The Work Panel has its main panel and two supports.
- All are made from thick perforated metal to allow students, teachers or lecturers to fit the parts of the kits and the Work Panel in any position suitable for the experiments.
- This valuable resource includes reproducible worksheets, guidance notes and lecturer notes (with answers) needed for typical experiments with each kit.
- Students, teachers or lecturers fit the parts of their kit to the Work Panel to study or demonstrate an engineering science topic.
- The selection of parts in the kits and the choice of fixing points on the work panel means that teachers or lecturers may extend the experiments to an even greater range.
- Supplies a CD-ROM with the Work Panel.
