

**Product Name :**  
4 Stroke Petrol Engine

**Product Code :**  
ENGP0002

A large, light gray watermark of the ALTEC logo is centered in the main content area of the page.

**Description :**

4 Stroke Petrol Engine

**Technical Specification :**

- Adapted specially for education to enable effective laboratory testing and demonstrations, the engine includes an exhaust thermocouple, a half-coupling to link to the test set dynamometer and all essential hoses and fittings.
- Removing the fuel tank also prevents unauthorised use of the equipment.
- The engine is mounted on a sturdy precision bed plate.
- The bed plate has dowels and slots which align and locate it accurately with the dynamometer test set.
- This minimises the time spent replacing one engine with another.
- The couplings ensure the engine can be connected and disconnected quickly and efficiently with minimum loss or spillage of fuel.
- For convenience and safety, the fuel tank can be removed for filling or for storage in a fuel locker when
