

**Product Name :**

Meter Flume

**Product Code :**

ALABS-A43-115

ALTEC™**Description :**

Meter Flume

**Technical Specification :**

- A 300 mm wide 5 to 15 m long flume for student study and advanced research into a wide range of fluid flow topics.
- A huge range of ancillaries is available to extend learning potential.
- The flumes have pressure measurement tappings at 0.25 metre intervals along the working section.
- These tappings can connect either to a multi-tube manometer or to a 32-way pressure display.
- The flumes have a built-in re-circulating water supply connected to a digital flow metre for accurate measurements during experimentation.
