Board Games Box of 3 Games

**Technical Specification :**

Board Games, box of 3 games

Board games containing 3 individual boards and game pieces for chess, checkers and slides and ladders. Size is 30x30cm +/- 2 cm. All three boards are printed with chess/checker squares and slides and ladders on one side and one of the other games on the other side (i.e. chess/slides and ladders etc.). The boards for the games is made from approx. 2mm recycled board and laminated on both sides with full color printed images of the games.
