

Product Name :
Skipping Rope Polyester 3m

Product Code :
SPHY0013

Description :

Skipping Rope Polyester 3m

Technical Specification :

Skipping rope for individual skipping, length 3 metres, diameter 1 centimeter. Made of soft polyester threads, divided into eight strands, tightly woven, no handles (heat sealed at both ends).

Pack includes ropes of assorted colours.

Intended for individual rope skipping. The soft texture of the rope allows for several ropes to be tied together, for use by several children.

Estimated weight: 0.925kg
