

**Product Name :**  
Ball Rubber and Foam App 10cm diameter

**Product Code :**  
SPHY0020

**Description :**

Ball Rubber and Foam App 10cm diameter

**Technical Specification :**

Ball, made from hardwearing material, approximately 10cm diameter, of assorted colours - for example, red, green, blue, yellow, orange. The material and colouring are smooth and non-toxic.

The manufacture, composition and finish of the balls are suitable for the safe and continued use of children aged 2-6 years. The material of the ball prevents the disintegration by physical force, into smaller pieces, that may constitute a health hazard.

Estimated weight: 0.333kg

Estimated volume: 5.911cdm
