

Product Name :
Specific Gravity Bottles**Product Code :**
CVLE0078**Description :**

Specific Gravity Bottles

Technical Specification :

- These unadjusted borosilicate glass specific gravity bottles determine the density of liquid samples.
- They have capillary stoppers, and ground Standard Taper joints to reduce evaporation.
- Capacity: 10mL, 25mL (approx)
- Joint: 10/18, 10/18
