

Product Name :
Pan and P Trap For Squatting Plate**Product Code :**
NTH0011**Description :**

Pan and "P" Trap For Squatting Plate

Technical Specification :

Pan and "P" trap, for squatting plate 120 x 80 cm

The trap is fixed to the pan using the adhesive that has been provided.

The pan is moulded in PP and can be bolted to the underside of squatting plate using the fasteners provided.

There are 2 types of traps, a "P" trap and a Goose neck trap, both of which are moulded in HDPE.
