

Product Name :

Latrine Superstructure Double Cubicle

Product Code :

NTH0016

**Description :**

Latrine Superstructure Double Cubicle

Technical Specification :

Latrine superstructure kit for use with standard squatting plates of dimensions 120 cm x 80 cm. This kit is for two cabins (double cubicles).

The kit is easy to assemble to provide a stable and durable installation for a block of two (2) latrine stances/cubicles in emergencies.

Used for communal latrines, health centres, feeding centres, schools etc., it is composed of a double Superstructure with lockable doors, roof/cover and natural ventilation/aeration

This complete latrine cabin kit is for deployment with e.g. trench latrine installations.

Latrine superstructure kit for use with standard squatting plates of dimensions 120 cm x 80 cm. This kit is for two cabins (double cubicles).
