

Product Name :
Tin Lead Plating Machine**Product Code :**
PCBL0004**Description :**

Tin Lead Plating Machine

Technical Specification :

- 1.Double sides, multi layer circuit board etc. non-metal material double side drilling hole protection.
- 2.Full ABS engineer plastic machine and inner groove, antiseptic, anti high temperature, anti vibration, technology flow is good, outlook is beautiful.
- 3.Cathode oscillation technology, prevent concentration gradient, add hole liquid flow. Swing time:3-5 times/minute.
