MSCI0020ALTEC™**Description :**

Pipette Carousel Stand

**Technical Specification :**

Universal design to fit a wide range of pipettes.

Full 360° rotation so each pipette is always at your fingertips.

Built to sturdily hold 6 pipettes in a compact footprint.

Pipette Carousel Stand can hold a set of 6 single-channel pipettes, keeping all within reach for easy use.

This compact stand (6-1/4" diam) occupies a small footprint of your bench space, making it the ideal option for classrooms and research laboratory.
