

Product Name :
Precision Guillotine Shear Machine Printed Circuit Board

Product Code :
PCBL0018

Description :

Precision Guillotine Shear Machine Printed Circuit Board

Technical Specification :

1. The use of products: according to the specifications apply copperplate, PVC materials out
2. The biggest cut thickness: 0.4- 4.0 mm: Maximum shear wide : 350 mm
3. Appearance volume: 500 * 400 * 500 mm
