

Product Name :

Electrical Engineering Principals (Lighting Circuits Electric Switches)

Product Code :

ELTC0074

**Description :**

Electrical Engineering Principals (Lighting Circuits Electric Switches)

Technical Specification :

Circuit of Electric Lamp – Not Controlled

Single Control Circuit of an Electric Lamp

Power Outlet (Socket) Circuit

Single Control Circuit of an Electric Outlet (Socket)

Single Control Circuit of an Electric Lamp & Non-Controlled Socket

Single Control Circuit of a group of Lamps connected in series

Single Control Circuit of a group of Lamps connected in parallel

Single Control Circuit of 2 groups of Lamps

Single Control Circuit of a Group of Lamps and a Socket
