

Product Name :
Electrical Trainer Board

Product Code :
ELTC0097

Description :

Electrical Trainer Board

Technical Specification :

1. Dimension: About 1770mm x 640mm x 1580mm
2. Working power: three-phase four wire (or three-phase five wire)~380V±10% 50Hz; <1.5KVA
3. Working temperature: -10°C~40°C, relative humidity<85%(25°C), altitude<4000m
4. Action current leakage protection: ?30mA
5. The action time of leakage protection: ?0.1s
