Chemicals Storage Box**Product Code :**
SCHOOLSMD1069**Description :**

Chemicals Storage Box

Technical Specification :

This is used to separate, arrange, and hold/contain/store small- and medium-sized chemicals by utilizing dividers (width/length) for compartmentalizing to increase/decrease available space for bigger or smaller size, which resists most solvents and chemicals.

Protect items against dirt, dust and damage and makes contents inside the box easy to see.
