

Product Name :
Hospital Medical Lab Clinical Semi-Automatic Chemistry Analyzer

Product Code :
HOSPITALLAB70012

Description :

Hospital Medical Lab Clinical Semi-Automatic Chemistry Analyzer India China

Technical Specification :

5-inch touch screen and keypad

Permanent quartz flowcell

Long-life halogen lamp

Reaction curve real time display

Support LIS

Flowcell & cuvette modes

Built-in thermal printer

Less and easy maintenance

Reagents:

Renal function

Hepatic function

Cardiac function

Liquid

Lipoprotein

Immuno panel

Pancreatitis panel
