

Product Name :

Lab Instrument 650W 2 Shelves Dry Heat Disinfection

Product Code :

MEDICALLAB710008

Description :

Lab Instrument 650W 2 Shelves Dry Heat Disinfection India China

Technical Specification :

Accuracy: High accuracy microprocessor P.I.D temperature controller with LCD display.

Efficiency: Quick heating, forced convection and short time of heating and disinfection.

Safety: Double over-temperature protection system.
