

Product Name :Hospital Clinical Spectrophotometer Portable Automatic UV
Visible Spectrophotometer**Product Code :**

PHARMALAB7300001

**Description :**

Hospital Clinical Spectrophotometer Portable Automatic UV Visible Spectrophotometer India China

Technical Specification :

Auto setting wavelength

Users can set wavelength automatically through arrow keys to avoid operation errors.

Stability and durability

users a rigid die-cast aluminum base as its optical mount to ensure instrument stability and reliability.

Date output

is equipped with USB port to connected with a PC to display spectrum scanning, kinetics and multi wavelength testing results on the screen. The software is optional.

Standard curve

can set up various standard curves according to customer's solutions and find the concentration of unknown solutions.

Multiple results readout

can display wavelength, absorption and transmittance with 5 results per screen. It also has a memory store of up to 200 results.
