

**Product Name :**

Atom Model

**Product Code :**

NURPHY10400011

**Description :**

Atom Model

**Technical Specification :**

When one takes quantum theory into account, it is clear that the known Bohr model of the atom is over-simplified.

This model illustrates the latest in scientific discovery.

Current depictions of the atom in this new model, shows electron orbits not as neat ellipses, but rather as having the appearance of a fuzzy "electron cloud".
