Thiourea Taste Test Vial**Product Code :**
GENTS10900002**Description :**

Thiourea Taste Test Vial

Technical Specification :

Thiourea test paper test for the genetic capability to detect Thiourea.

For other taste tests, see our PTC and Sodium Benzoate test paper.

Pack of 100 strips.

Instructions:

Remove a Thiourea test paper from the vial.

Place the test strip on your tongue, and it will either taste bitter or it won't taste like anything at all.
