

Product Name :
Genetic and Inheritance Magnetic Cards**Product Code :**
GENTS10900005**Description :**

Genetic and Inheritance Magnetic Cards

Technical Specification :

Solve the puzzle of how genes are inherited and sometimes appear or disappear in families.

Using these 36 magnetic shapes, representing males and females with the three possible genetic combinations (affected, carriers or not affected), all types of inheritance (complete dominance, incomplete dominance whether autosomal or sex linked) can be investigated.

Includes teachers guide with actual case studies, lesson outlines and reproducible student work sheets.
