

Product Name :

Snow Magic

Product Code :

CHMSCE10600009

**Description :**

Snow Magic

Technical Specification :

A super absorbent polymer that soaks water and 'grows' before your eyes.

Feels like real snow!

Can be used over and over again.

Makes about 2.5 litres of snow for every 100g of snow magic.

Non-toxic, however it's always best to avoid carpets and fabrics as it may stick and be difficult to remove.
