

**Product Name :**

Bilirubin Meter

**Product Code :**

CLC-LAB0024

**Description :**

Bilirubin Meter

**Technical Specification :**

Platform: bench-top, open, fully automatic system.

Sample type: whole blood

Volume: 10ul

Humidity up to: 80%

Analysis time: 3 seconds

Operating temperature: 15C to 35C.

Automated calibration and self-diagnosis.

Energy saving mode after 30 minutes.

The equipment tolerates harsh environment.

Accuracy of measurement, approximately: 5%

Power: 220V/50Hz, with voltage surge protection.

Quality control flags abnormal results, auto-calibration.

With digital alphanumeric display and integrated printer.

Data management complete with built-in software and possibility to print data or send data to PC.
