

Product Name :
Solar Lamp with Phone Charger

Product Code :
CAMEQUC-UN0016

Description :

Solar Lamp with Phone Charger

Technical Specification :

Light:

Light source - 3 x Samsung LEDs

Light output high - 100 lumen/4.5 hours+

Light output medium - 20 lumen/15 hours+

Light output low - 5 lumen/100 hours+

Light distribution - 360-90 degrees

Charging & Battery:

Solar panel with 4 loops for fixture - 1.8W with hardened glass cover

Charging time PV - 3.5-8 hours depending on radiation

Charging time AC grid - 1.5 hours

Battery Spec - 1LiFePO batt. /1.400 mAh/3.2V

Battery protection - self discharge, deep discharge reverse polarity, trickle charge

Replaceable battery - Yes. 2,000 cycles.
