

**Product Name :**  
Diesel Driven Centrifugal Pump

**Product Code :**  
WATER-SAN0045

**Description :**

Diesel Driven Centrifugal Pump

**Technical Specification :**

Self-priming centrifugal pumping set, capacity 20 Cubic Meters per hour at around 2900 RPM, at 20 meter TMH (Total Manometric Head) for 1-m suction head.

Maximum suction lift 5 meters.
