

Product Name :
Clamp for Umbilical Cord

Product Code :
MED-REN0028

Description :

Clamp for Umbilical Cord

Technical Specification :

Finger grip to ensure safe and easy handling.

Material: Plastic (polymer).

Single-use. Sterile.

Disposable sterile umbilical cord clamp, safe, effective and easy to apply.

Grooves all along the length to prevent slip of the umbilical cord and to retain it in the same position.

Safe security lock, with a click to indicate correct locking, to protect against accidental re-opening after clamping.
