

Product Name :
Electronic Balance Analytical**Product Code :**
ALABS-A18-005**Description :**

Electronic Balance Analytical :- Specially designed balance for Schools, Colleges, Universities. Simple easy fluorescent display.. Built – in calibration weight.

Capacity – 210 gm.

Readability – 0.1 mg.

Stabilisation time approx. 5 sec.

Sensitivity Drift (10°C – 30°C) ± 2 ppm / °C

Weighing Pan dimensions 85 mm. dia.
