

**Product Name :**

Tripod Stand

**Product Code :**

ALABS-A113-010

**Description :****Tripod Stand**

An adjustable mounting tripod constructed from aluminium alloy, supported by three stainless steel rods secured by thumbscrews. For use with Hook & Point Gauges and Pitot Tubes.

**Description:**

- A mounting tripod constructed from aluminium alloy is supported on three stainless steel rods secured by thumbscrews. The rods are adjustable allowing the stand to be made level.
- Levelling is assisted by use of a 'Bullseye' spirit level mounted on the top plate.
- A carrier plate mounted on the tripod supports the gauge. The whole assembly may be adjusted for height on the support rods.

**Specifications:**

Range: 500mm (nominal)

Diameter of base: 340mm

Overall height: 660mm(without gauge)
