

Product Name :
Water & Soil Analysis Kit

Product Code :
ALABS-A115-082

Description :

Water & Soil Analysis Kit

- pH, Conductivity, TDS, DO Salinity, mV & Temp. Measurements
- Turbidity Measurement (Model – 191)
- Colorimetric Measurement (Model – 171)
- Both Turbidity & Colorimetric Measurement (Model – 172)
- Mains cum Battery Operated
- Available in ABS Plastic Briefcase
