

Product Name :
Ultra Low Deep Freezer**Product Code :**
ALABS-A115-115**Description :****Ultra Low Deep Freezer**

ATICO -40°C chest freezers provide versatile and reliable sample storage.

Delivers all the sample protection features of our Forma 900 and Forma 700 upright series and available in four convenient sizes as well as a full range of racking solutions.

Microprocessor control: Centralized information center, including microprocessor control and monitoring system ensures that all controls and displays are easy to reach and read—knee level on the 3 cu. ft. models

State-of-the-art, refrigeration system: Improves temperature control and increases reserve BTUH capacity, resulting in a more stable temperature sample

5 in. (127mm) foamed-in-place, polyurethane insulation: Reduces power consumption, maintains temperature setpoint and combined with triple-point door gasket, provides longer holding time in the event of a door opening

Rugged, heavy gauge, cold-rolled steel cabinets: with a powder coat paint finish provides a uniform exterior that resists chipping and rust

1 in. (25mm) access ports: allow for the use of inexpedient probes or instrumentation

Stainless steel interior

Polystyrene interior sub-lids: Reduce cold air loss and improve temperature recovery after door openings

Easy-to-remove, washable filter: Provides protection from dust on the condenser, causing reduced refrigeration performance and increased risk to samples

Simplified installation: with our new easy-roll 2 inch locking casters

Features:

- **Temperature range:** -20°C, -30°C, -40°C, -70°C, -80°C .
- Available in horizontal or vertical designs.
- It works on **220V AC 50Hz** single phase.

Capacity :

- 55 ltr / 2 cu ft.
- 120 ltr / 4.5 cu ft.
- 170 ltr / 6 cu ft.
- 280 ltr / 10 cu ft.
- 425 ltr / 15 cu ft.
- 650 ltr / 23.5 cu ft.

Optional :

Digital temp. indicator-cum-controller with computer data logger
