

Product Name :
Test Tube Stand**Product Code :**
ALABS-A18-008**Description :****Test Tube Stand**

An economical substitute for wire racks, here are these submersible, autoclavable racks which are stackable when empty. These are available in different colors and are made of a special blend of Polypropylene that makes it sink in a water bath and maintain their stability even in agitated water. These space saving racks can easily be disassembled for cleaning purpose. the base is in the form of a grid with square openings and fold up sides and end bars that lock into rack tops
