

Product Name :
30V/3A - 4 Digit Display - Power Supply

Product Code :
ALABS-A27-002

Description :

30V/3A - 4 Digit Display - Power Supply

Output Voltage continuously variable

Output Current continuously variable

Display LED display with switchable A/mA indicator

Noise & Ripple

Load Regulation

Line Regulation

Overvoltage protection

220V Voltage 50Hz~60Hz

Stability: $\pm 0.01\% + 2mV$

Load: $\pm 0.01\% + 2mV$

Relay Time

Ripple & Noise (Efficient Value)

Current; Load Stability

Load: $\pm 0.2\% + 3mA$

Ripple & Noise

Display: Pointer gauge

Accuracy: Pointer gauge

220V Voltage 50/60Hz

Working Condition : 110±10%50/60Hz)

Operating temperature:-10oC~40oC Moisture £ 90%

Storage temperature:-10oC~40oC Moisture £ 80%
