Product Name :

Water Cycle Model Activity Set

Product Code :

ALABS-A206-031

Description :

Water Cycle Model Activity Set

Make it rain in your classroom! Students can duplicate the individual processes of the water cycle (evaporation, condensation and precipitation) with this ingenious model. Accompanying set of ten 8 1/2" x 11" full color study cards and transparencies will aid students understanding of the water cycle and enhance awareness of the various states of water. Grades 4-12. Requires a heat lamp not included.
