

**Product Name :**

PLC Trainer

**Product Code :**

ALABS-A36-003

**Description :****PLC Trainer - Process Control (PLC) Trainer**

## Technical Specifications:

Siemens CPU Type    222   224   226

Digital Input            8    14    24

Digital Output          6    10    16

## General Purpose Simulation PCB

Toggle Switches        8    16    24

LED Display            8    12    16

General:

Power Supply : 220V  $\pm$  10%, 50/60Hz, 5VA

Dimensions (mm) : W 450< H 113, D 280

Weight : 5.5 Kgs (Approx)

Included Accessories : Programming & Operating software manual, PC/PPI interface cable, Software CD, Softcopy of Siemens Manual

Optional Accessories : Digital input & Digital output, Analog expansion modules.

- \* Micro PLC from Siemens
- \* Ladder, L|STL & FBD Languages
- \* PC Based programming
- \* Ready to use Configuration
- \* Programming and operating software
- \* Soft copy of PLC introduction and tutorials
- \* Choice of PLC and expansion module
- \* Expandable input/output
- \* Experiment PCB with Switches, LED's and potentiometers
- \* Built-in DC power supplies
- \* Ready experiments
- \* Operating Manual

**Technical Specification :**

We have been supplying an extensive variety of process control engineering laboratory equipments around all over the world at the very affordable cost. Equipments Exporters are leading in **Process Control (PLC) Trainer, Process Control (PLC) Trainer Manufacturer, Process Control (PLC) Trainer Exporter, Process Control (PLC) Trainer Suppliers in India, Process Control (PLC) Trainer Manufacturers in India, Process Control (PLC) Trainer Suppliers.** Some of our widely used process control engineering laboratory instruments are programmable logic control (PLC) trainer, industrial process plant trainer, process control simulator unit etc.
