

Product Name :
RFID Trainer**Product Code :**
ALABS-A36-032**Description :****RFID Trainer**

- Operating Frequency : 13.56 MHz
- Modulation Type : ASK
- Operating Range : Less than 10 cm
- Protocol Support :
- Application Software : This programme helps the students to understand the attendance records by using RFID technology
- Supply Voltage : 3.3 V for controller and Reader, 5 V for LCD display
- Micro Controller : 89C51 ED2 with 256 KByte RAM and
- 64 KByte ROM
- Antenna : Inductively coupled coil type
- Power Supply : 230 V \pm 10%, 50 Hz

- Dimension (mm) : W365 ´ D 265 ´ H 120

- Fuse : 250 mA
