

Product Name :
Electronic Analytical Balance

Product Code :
ALABS-A6-006

A large, light gray watermark of the ALTEC logo is centered in the main content area of the page.

Description :

Electronic Analytical Balance

Electronic Analytical Balance

1. Rear Electromagnetic Force Sensor,
2. Built-Balance Calibration Weight
3. Easy To Calibrate At Any Time
4. With Overload / Underload Alarm
5. Full-Scale Peeled,

6. Cumulative / Regressive

7. Weighing Hook End Functions To Meet The Needs Of A Variety Of Laboratory Quality Analysis

8. Optional RS232 Interface.

Parameters:

Capacity: 30g

Readability: 0.01mg

Pan size:90mm

Dimensions: 185*155*210mm
