Product Name :
Digital Logic Trainer

Product Code :
EEATC049

Description :

Digital Logic Lab is a comprehensive and self-contained system suitable for anyone engaged in digital logic experiments. All necessary equipments for digital logic experiments such as power supply, signal generator, switches and displays are installed on the main unit. The 12 modules cover a wide variety of essential topics in the field of digital logic. It is a time and cost saving device for both students and researchers interested in developing and testing circuit prototypes.
