

Product Name :
Linear IC Trainer**Product Code :**
ALTECEDULABA0320**Description :****Linear IC Trainer**

1. DC regulated power supplies Fix +- 12V/250mA, Variable 0 to +- 5 V/250mA
2. Sine wave oscillator of 1 KHz at 0.5 V p-p is built in
3. Functional diagram of IC 741 with input point is printed on board.
Additional 8 pin IC base with machine pins is provided for putting any other IC of choice
4. Digital voltmeter 0-20 V DC 1 No 3.1/2 digit, LCD display, mains operated.
5. Assorted values of resistance 11 No. 100, K, 3.3 K, 5K, 10K, 22K & 100 K ohms
6. Assorted value of capacitances 3 No 0.1, 1, & 10 uF
7. potentiometer 10 K ohm, Linear V 1 No
8. 2mm inter-connection leads 10 No
9. Toggle switch with selection of input or output V is provided.
10. Comprehensive USERS manual for performing 10 experiments on OP-AMP.
