

Product Name :

Oscilloscope

Product Code :

ALTECEDULABA0326

**Description :****Oscilloscope**

1. DC-60MHz
2. Dual channel/Dual tracing, X-Y mode
3. 6" display, high brightness cathode ray tube with scale illumination control.
4. High sensitivity triggering, up to 1mV/division
5. CH1 channel incremental amplification function for clearer display.
6. TV synchronous separation circuit to observe stable TV signal.
7. X-x10/Y-x5
8. Polarity reversal, CH 1 Sync output
